New fishery management contract at Castle Meadows

"It was a pleasure meeting you last week. I had a really fun time and I hope you did to! I really want to come back again. I'm happy we cleaned most of the sea wall, it really helped the fish in the ocean a lot. When I'm older I want to work at a place to keep Wales tidy. I really had fun on the trip, you really inspired me to keep the earth clean! I would like to bring my family and do another litter pick up. "

Offa's Dyke Path National Trail compliment received "Yesterday we chose to do the 5 mile circular walk "In the shadow of White Castle". We would just like to comment that the instructions for the route were second to none and so clear and we had a superb walk. This was enhanced by marked pointers, yellow indicators and just the right amount of history to go with it. To cap it all the weather was wonderful."
