" The Centre staff were great from the moment we arrived. Nothing was too much trouble for them and they forged a great relationship with both pupils and staff"

"The fact the children got to experience 5 different activities over the stay showed how well time was managed. They had ample time on each activity and nothing seemed rushed or hurried"

"I love Hilston I will visit again one day. I would recommend Hilston to people who love being challenged and having a good time"

"I really enjoyed caving because I was able to experience things that I had never experienced before and was an exciting once in a lifetime opportunity"

" I really enjoyed this trip it showed that I could much more than my belief. The caving was very fun because I can challenge myself, forest fun was good because I could learn to survive and canoeing was fun because we learnt how to save someone if there boat sunk. All around Gilwern was a life changing experience. I am very thankful that we went"
