**Feedback from Creative Lives, Active Lives course for people living with Dementia and their carers**

"Social interaction has been the best whilst allowing minds to think positively, makes those living with dementia feel human again."

"I'm feeling the benefit of being a volunteer - seeing the happiness of others - it has a knock-on effect"

**Feedback from Discovery boxes**

'The support we have had from the MonLife Learning has been invaluable to us during our topic on The Romans. The artefact boxes have really brought the project to life as they allow pupils to handle and explore artefacts and reproductions of Roman items. They particularly enjoyed finding out what all the items were and who would have used them.'
